UNEP Finance Initiative

Innovative financing for sustainability

5 December 2012: The UN Environment Programme Finance Initiative (UNEP FI) has released a discussion paper, titled "Creating the 'New Normal' - Enabling the Financial Sector to Work for Sustainable Development." The paper follows from the call, at the UN Conference on Sustainable Development (UNCSD, or Rio+20), to establish an intergovernmental committee of experts under the UN General Assembly (UNGA) to propose options for sustainable development financing.
